### THS Qualifies 21; See Finals Fri. Afternoon

By JERRY WESTMORELAND

Torrance High qualified 21 nimble-jacks in the Bay League preliminaries held at El Camino last Friday, giving them second place in numbers only to Santa Monica's 26 qualifiers.

Samohi retained title to the sprint events for the bulk of their number while the Tartars captured the distance and field events in all three classes.

Santa Monica sprinter, Dick Dorsey, ran the fastest 100 in B. L. history with a 9.8, but the new time was nullified by the strong wind at his back. Dorsey also placed in other short distance events.

Torrance utility man, Clayton Mallard, qualified in the low and high hurdles and pole vault. Also qualifying in the hurdles was lanky Bob Moon, with a surprisingly fast time.

Dennis Hester easily won his 880 heat and is a top THS hope in the finals tomorrow.

Burt Smith took time off from center field to place in the 440 and broad jump.

Other qualifiers for Torrance were: Rainwater, 100 and 220; Kasten, 440 and shot put; Babbs, 880; Boss and Forth, high jump.

The highlight in the B division was Tom Waller's easy victory in the 1320.

Tomorrow at 1:30 the league contenders gather to decide on the League honors and determine who is eligible to travel to the CIF prelims.
